Dear Prince Leonard,

I hope this letter finds you well.

I have read the announcement regarding your abdication as our Sovereign, and while it fills me with great sadness, I completely understand your reasons. Serving you has been one of the greatest pleasures of my life, and I wish you well in all of your future endeavours.

My loyalty to the Principality is unswerving, especially during this time of transition, and I look forward to serving your successor, Prince Graeme, in any capacity in which I'm able.

Warmest Regards,

Major-General Sir William B. Speir, Jr., KCRO. KCOWL, SCM, RCH, RHRA
