Subject: Congratulations upon your abdication as Sovereign in favor of Prince Graeme

HRH Prince Leonard

Sovereign

Principality of Hutt River

Dear Sir,

My mother Anita and I would like to congratulate you upon your abdication as Sovereign in favor of Prince Graeme, Duke of Gilboa, Earl of Canan on Saturday February 11th.

While my mother and I would very much like to attend the enthronement of Prince Graeme I do not think my mother's health will allow it, as she is now 92.

My work now takes me to Indonesia, Singapore and the Philippines regularly; however I look forward to visiting the Principality again soon and re-connecting with you, and my friends Prince Ian, Prince Wayne, Prince Richard and meeting Prince Graeme for the first time.

If I can be of service to prince Graeme and the Principality during my travels I am only too happy to assist in anyway I can.

We both wish everyone at the Principality a wonderful day and all the best for the future.
