**Subject:** Fwd: Royal Abdication

It is with regret that I have learned of the Abdication of Prince Leonard, however it is with pride and honour that he has served so long and given unto his people and those he has touched throughout the world and this service will long be remembered.

It is wonderful news that Prince Graeme has been elevated to the position of HRH Sovereign of the Principality, may his rule be long and successful.

I would like , on behalf of myself and the Black River Rural Fire Brigade, to extend our sincerest best wishes to Prince Leonard and to Prince Graeme.

On a personal note, I stand always, to acknowledge the Principality of Hutt River as a long time friend and pledge fealty to the Royal Family.

--

Warren Kelly M.A.I.E.S
