Dear Prince Leonard

I was so sorry to hear about the passing away of Princess Shirley. The Princess was a pillar of strength.

The French always have maintained that behind every great man there was a woman.

I know how devastating it is to lose someone very close, it is very traumatic. I know that it seems impossible right now, but time will soothe the pain and you will, realise that the Princess memory is still and always will be alive; in some ways you will understand that She has achieved immortality.

I am thinking and praying for you every day. Should you want any assistance don't hesitate to call on me.

With Deepest Sympathy.
