To His Royal Highness, Prince Leonard:

I have learned with my deepest sorrow about the passing of your wife, Matriarch of the Principality of Hutt River, HRH Princess Shirley Joy Casley.

In this hour of sadness at your painful loss, I am with you, royal family and all subjects of our Principality in prayers and thoughts.

HRH Princess Shirley was such a special person, full of love and wisdom, and no words are really adequate.

She will be sadly missed.

Please accept my condolences,

Sir Zeljko Riha KCRO. KCIOM. KOWL.

Hon. High Representative to Central Europe and the Balkans
