**Please read these notes carefully before filling in the application for
Non-Resident Subject Status of the PHR.**

PRINCIPALITY OF HUTT RIVER

Settlement in Hutt River

By being accepted as a Non-Resident Subject you do not have an unreserved right to settle in the Principality of Hutt River. If you desire to settle within the Principality you need to apply for Residential Status of the PHR. (Residential preferences are provided to those who are non-resident subjects first)

Criminal Offences

Applicants to become a subject are required to declare whether they have been convicted of a criminal offence. A false statement will lead to immediate deprivation of your acceptance as a subject.

Loss of Subject status:

The Nationality Act 1997 lays down the following rules in relation to the loss of status as non-resident or resident subject of the PHR;

IV

Loss of non-resident or resident subject status.

§9 Renunciation of Subject Status

A Hutt River subject of full capacity residing abroad may renounce his or her Hutt River subject status in a declaration addressed to the Sovereign Prince of the State, if;

- (1) the person possesses a foreign citizenship or may rely on the probability of acquiring one, and
- (2) has no criminal proceedings against him or her in a Hutt River court, or the executability of a sentence judged by a Hutt River court no longer exists, and
- (3) has no tax or other public arrears in Hutt River, and
- (4) the person has attained the age of 18 years

§10 Deprivation of subject status

Non-resident or resident Hutt River subject status may be withdrawn from a Hutt River subject residing abroad, if the subject status was acquired by the violation of legal rules, particularly through the statement of false data, or through misleading the authorities by omitting information or has done any voluntary act which is incompatible with loyalty to the Principality.

The Cabinet shall not deprive a person of non-resident or resident subject status under this paragraph unless he is satisfied that it is not conducive to the public good that that person should continue to be a non-resident or resident subject of the Principality of Hutt River and that he holds citizenship of another nation.

NOTES:
