**ATT: ROYAL ENFIELD CLUB OF AUSTRALIA Inc.**

We wish to express our sincere congratulations to you all who are here in Murwillumbah for the RECoA AGM of 2009, for the continued excellence of the Royal Enfield Club of Australia in its strength of continuance, and high club spirit which all enjoy.

Another year has past and once again I find myself congratulating you on a year of achievements, particularly the gruelling, though I am reliably informed enjoyable, Alice or Bust Ride. This ride should have been a great experience and one of learning for those of you that I hope will be travelling across here to the Principality to join us as guests for the 40<sup>th</sup> Anniversary Celebrations in April 2010.

I am also aware that the club has grown in membership this past year which is good to see and I trust that our support and the inclusion of some large degree of information on RECOA on the Principality Website is of assistance to your club.

It is very pleasing to see the camaraderie that your club obviously holds dear between its members and the helpfulness between all is an inspiration that should be followed by many others in this world today

I am proud to be your Patron and display the Club Plaque proudly in my Office.

We wish you all a *Pleasurable, Relaxing, Rewarding Meet* and a *Safe Ride!*  
*We look forward to meeting many of you in 2010 here in Nain.*

Best Regards

**HRH Prince Leonard
