INTRODUCTION

The “Extensions to The Holistic Nature of Reality” is firstly intended to illustrate the combined relationship of both the, “Spirit 91” and “NC28” within, in each stage of the Series of, “Fibonacci”, which arises out of the Prince Leonard “Creation” formula. It illustrates that both are a factor of the Creation Code of 142857.

Secondly, it illustrates the manner of the binding of the codes, in a fairly comprehensive coverage.

Thirdly it emphasizes that the mathematical code of Creation is within everything that exists, including you, that there is a binding unity of the codes within that of Nature.

The extent of that which may henceforth be resolved, therefrom, is immensely extensive.

However it is considered that within “The Holistic Nature of Reality” and the “Extensions”, herewith, they open up for all earnest researchers, fields which were previously impossible to reach.

In the absence of any other academic resolvments in these fields, thence, until any improved resolvments supersede the details so resolved herein, then the details herewith may qualify as the world authority in such detail.

CERTIFICATES OF THE SPIRIT CODE

Throughout the following pages can be found copies of the
Certificates of the Spirit Code
for people who are associated with the Principality's work
and show how for each one that once the Spirit Code

142857

is found it repeats itself into infinity.

The Spirit Code is found within all living things without exclusion.

CERTIFICATE OF THE SPIRIT CODE

For the Spirit Within.

Dr. Sir David P. Burkart K.G.C.R.O.

On the period before time, there was an Intelligent Energy with creative ability.
This then began the period of creation, and time.

The creative energy whose Nature's Constant Code from the time of creation is 142857.
The creative energy being, "Spirit", was joined with an Intelligent Energy known as "God"
whose Nature's Constant is 153846.

These became linked as one with a code and moment of inertia of that of Spirit 142857.
This Spirit is within all people.

The Full Code for:

"David Burkart"

Is:

4.142857 142857....

"Namaste" NC28

"The Spirit within me honours the Spirit within you"

Light Photon

In Atomic Physics, the “Light Photon” has long been of interest to physicians.

Let us have a look at a “Light Photon”.

$$\text{“Light Photon”} = 144$$

$$144 \div 28(\text{NC}) = 5.142857\ 142857\ \dots$$

The mathematical code of Creation **142857** is a major factor therein.

“Gravity” at time ‘T’ is also part of and affects the moment of inertia of a Light Photon.

Nature - Spirit

We might now have a look at, “Nature”, and Spirit(91) and the NC28.

Therefore:-

$$\text{Nature} = 79$$

$$79 \div 28(\text{NC}) = 2.82\ 142857\ 142857\ \dots$$

$$\text{Spirit in Nature} = 79 \div 91 = 0.868131\ 868131\ \dots$$

Thus, the relationship between Nature and Spirit is:-

The NC28 will produce, by division, the mathematical code of Creation within everything that exists, including every person, with no exclusion.

Body Cell

The Body Cell of all living entities is of vital importance to the life of that entity. It is vital for the start of that life, its duration of life and the end of that life.

We might therefore consider various factors in relation thereto of, Body Cell, Life and Death.

Body Cell/Life

Body Cell = 78

$$78 \div 28(\text{NC}) = 2.7857 \text{ **142857 142857...**}$$

$$78 \div 91 = 0.857 \text{ **142857 142857...**}$$

Body Cell contains perfect bonding, as one, in its origin, with, Spirit and Creation Energy.

Life = 32

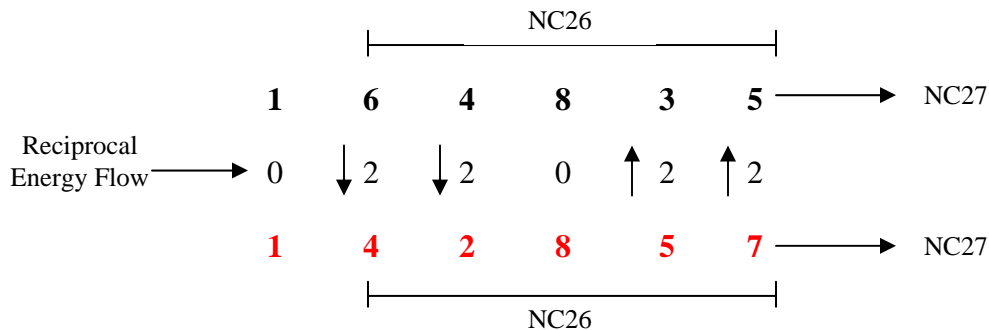

$$32 \div 28(\text{NC}) = 1.\text{**142857 142857...**}$$

$$32 \div 91 = 0.35\text{**164835 164835...**}$$

Spirit into that of Life results in the reversal with 1 remaining constant from **153846** to **164835**

In both the Body Cell and Life the mathematical codes are prominent.

We will now look at the bonding of the mathematical codes from, "Life".

In the above bonding that which was related to this was, "Life" (32), NC28, Spirit (91), NC27, NC26, Code of Creation **142857**, Code of "Spirit in Life" **164835**, all of which are energy forces.

Alphabet with Numerical Values
to assist with working out mathematical values for Gematria

A	B	C	D	E	F	G	H	I	J	K	L	M
1	2	3	4	5	6	7	8	9	10	11	12	13
N	O	P	Q	R	S	T	U	V	W	X	Y	Z
14	15	16	17	18	19	20	21	22	23	24	25	26

Example of Gematria

Gematria = 74 = Energy

Energy 74 ÷ 28(NC) = 2.642857 **142857...**

Energy 74 ÷ 91 = 0.8**131868 131868...**

Energy 74 ÷ 26(NC) = 2.846 **153846...**

Body Cell 78 ÷ 28(NC) = 2.7857 **142857...**

Bonding

The bonding of Nature's Energy Cell blocks, are a product of NC27, which is of the Energy Cell blocks.
